

WARRANTY

MidWest Time Control, Incorporated warrants the equipment in the standard product line to be free of defects in materials and workmanship for a period of one year from the date of delivery to the purchaser. This period may be extended to one year from the date of delivery to a distributors vendee, however in no event will the warranty be extended for more than one year from the date of installation or two years from the date of shipment from the factory whichever is sooner.

We also warrant that if operated properly, the unit will operate within the advertised specifications for the stated warranty period. Excluded from this warranty are fuses and socket mounted relays. These are considered normal maintenance items.

The liability of MidWest Time Control, Incorporated under this warranty shall be limited to repairing or replacing a unit proved to be defective and returned to us with transportation charges prepaid within the stated warranty period.

This warranty is in lieu of all other warranties, express or implied and constitutes all of our liabilities to the purchaser or user. We assume no liability for consequential damages, for anticipated or lost profits, incidental damages or loss of time or other losses incurred by the purchaser, user or any third party in connection with the product covered by this warranty.

This warranty will be void for any product with defects which have been caused by abuse, neglect, improper installation, unauthorized repair or modification.

For return authorization under this warranty, contact;
